

DMS HOME LEARNING

October 2020

Dear Parents and Carers

As part of Dedworth Middle School's commitment to providing all pupils with a full home learning curriculum, we are confirming the arrangements regarding how pupils can access their curriculum remotely, should the need arise.

We are operating the use of three systems, these are:

Foldr	Oak National Academy	Class Dojo
 <p>Welcome to Foldr Dedworth Middle School</p>	 <p>OAK NATIONAL ACADEMY</p>	 <p>ClassDojo</p>
<p>https://remote.dedworthmiddle.co.uk/home/files</p>	<p>https://www.thenational.academy/</p>	<p>https://www.classdojo.com/</p>
<p>Access this link through our website, at the very bottom of the Home screen Username: Student.Foldr Password: RedStar321!</p>	<p>Google search</p>	<p>Download the app, and collect your login code form your child's tutor</p>
<p>A filing system split into Year group folders containing resources, PowerPoint presentations and instructions about learning, in date order.</p>	<p>The National Virtual School with video links and tasks linked to school-based content. Some subjects have linked to specific pages – see below.</p>	<p>Continue using for uploading images of home learning tasks and communication with staff.</p>

In addition please find below a menu of Home learning websites that pupils can access to help support their learning if absent from school.

The resources below are free and some do not require log-ins, whilst others do and your child will have received these details from their tutor or subject teacher.

Computing https://www.thinkuknow.co.uk/ https://studio.code.org https://www.piskelapp.com/	English Accelerated Reader - http://bit.ly/39XLP7f https://remote.dedworthmiddle.co.uk/home/files	Languages Linguascope - https://www.linguascope.com/
Science BBC bitesize - https://www.bbc.co.uk/bitesize	Maths Hegarty Maths - https://hegartymaths.com/ Times Tables Rock-stars - https://trockstars.com/	

The **Curriculum** section on our website provides detail on the areas that pupils will cover in their learning across all their curriculum subjects, both within school and at home. Below is just our home learning provision, which is also available in Foldr.
