Ethos

We aim to equip pupils with the knowledge, skills and attitudes necessary to make use of further education opportunities, to nurture talents of all kinds and to encourage each child to develop his/her intellectual, creative and physical abilities to the full.

We aim to provide as many opportunities as possible for pupils to enjoy success and satisfaction, irrespective of ability.

It is equally important that our children develop as good citizens, and emotionally literate young adults, therefore we wish them to be part of a caring school community, encouraging them to develop relationships based on tolerance, inclusion, goodwill and sensitivity.
