

Remember, everyone will be feeling the same as you, nervous and excited!

A change can be exciting, you have proved yourself to be strong, confident and able to cope with change-

Do you remember your first day in your first school? It seemed so big and so scary, but in fact it became so easy very quickly!

Just like your first school, Dedworth Middle will have so many exciting opportunities to make new friends, learn new skills, try new things and show your new teachers how incredible you are!

Be positive, be brave and be yourself because you are amazing!

Wishing you the very best you can be from all of us at Dedworth Middle School
